

GRC PLATFORMS

(Governance Risk Compliance)

Pillar's Cyber Defense Intelligence Team recommends GRC Tools to track controls and compliance as well as assist in responding to security questionnaires. Our leading tool recommendations are as follows:

<https://drata.com/>

<https://www.onetrust.com/>

<https://riskconnect.com/>

<https://www.archerirm.com/content/grc>

<https://www.servicenow.com/products/governance-risk-and-compliance.html>
